## WHO WE ARE

PREMIUM SHIPPING FORWARDING a full-service provider offering multiple levels of transportation and logistics services.

As a freight forwarder, we knit together an astounding combination of some or all of the logistic services, using air, land, and sea options to support the success of our customers' shipping and transport needs. As a result, finding the ideal combination of time and money helps every aspect of their supply chain work together in harmony, providing a seamless connected experience that helps clients reach current goals, discover new ones, and expand their vision for what is possible.

We consider ourselves an expert in our craft. We design our product with the care and patience necessary to guarantee the conclusion of our goals and that is the complete satisfaction of our clients. Also assisting them in whatever they need and requirements whether it is any service in the logistics aspect or as little as advice and direction to the right course of action to protect their best interest and keep their eyes wide open to the optimal steps they need to take.

We provide a comprehensive range of sustainable tailored for all your individual logistics needs.

**We Provide**

**We are customer-focused, customer-driven, and strive passionately to provide an excellent and professional level of personalized service to our clients.**

# OCEAN FREIGHT

### SERVICES

We provide integrated and high-quality Customs and logistic services that improve our customers' business' continuity, cost, and ecological footprint.

### OCEAN FREIGHT

Cost-efficient sea freight forwarding from trusted shipping experts  
Integrated Service Solutions Global Forwarding is a premium provider of ocean freight services across the Yemen, Middle East, Europe, Africa, the Indian subcontinent and beyond. As a leading ocean forwarding company, we work in close partnership with a range of ocean carriers and leading international forwarding and logistics, who help us to consistently deliver a reliable, high-quality service.

Our priority is to deliver your freight on time and within budget, whether you're shipping to established or developing markets. Our highly trained and experienced team members are on hand throughout to guide you through the process, to ensure your complete satisfaction.

From Full Container Loads (FCL) to Less Than Container Loads (LCL) we're here to meet your ocean freight needs, offering a comprehensive suite of services and tailored solutions that include:

- Ocean Customs Brokerage
- Ocean Consolidation
- Deconsolidation
- Carrier Booking Management

For expert guidance and advice on your ocean freight requirements, please contact us.

# AIR FREIGHT

## AIR FREIGHT

Fast, secure air freight solutions, handled with care

Integrated Service Solutions Global Forwarding is a market leading provider of innovative air freight solutions. Our services are designed to meet the precise needs of our customers, and is built upon our wide knowledge and deep understanding of airborne transportation and distribution.

Whatever you're shipping and whatever the destination, we can help with the planning, choice of carrier and route selection, whether door-to-door, door-to-airport, airport-to-airport or airport-to-door.

We can also assist with related services to help ensure that your shipment is dispatched, handled and delivered safely and on time, including:

- Customs clearance
- Insurance
- Packing and repacking
- Storage and warehousing.

Whatever you air freight needs, put our expertise at your service by contacting us today.

# ROAD FREIGHT

## ROAD FREIGHT

Get on the road to increased efficiency with our agile team. Integrated Service Solutions Global Forwarding is the first choice for the organization and management of road freight across Yemen and Middle East. We offer the full range of road freight services, from Full Truck Load (FTL) and Less than Truck Load (LTL) shipping to specialist heavy lift and wide load transportation. All to the highest standards of service quality and cost effectiveness.

To take advantage of our road shipping expertise, please contact us today.

### WAREHOUSING

Integrated Service Solutions Global Forwarding offers bespoke warehousing solutions tailored to meet your specific needs. Our capabilities extend beyond the storage environment to seamlessly integrate with our Air Freight, Ocean Freight and Road Freight services.

To put our warehousing expertise to work for you, please contact us today.

### CUSTOMS SERVICES

Customs Brokerage technical services have been an integral part of our operations since first operation. This has given us a unique and detailed understanding of Laws and Regulations, licenses and procedures, concessions and tariffs, valuations, Trade Agreements, and other current statutory issues in Yemen.

It is this experience that has set our licensed Customs agents apart, each has specialist skills in air and sea freight shipment procedures for clearance and export and warehousing documentation.

PSF customs brokers are comprehensively trained to understand the complex customs procedures of each specific area of operation. Our customs brokerage team will take full and complete responsibility to ensure that the correct documentation is prepared well in advance of all import and export deadlines in order to avoid expensive and time-consuming delays.

### DOOR TO DOOR

In this case, the customer is free of all the arrangements related to the sea/Air freight shipment.

We are in charge of all the processes beginning with cargo loading, delivery to the port, customs clearance until arriving at the destination safely and being cleared and delivered to the customer's door.
